

Optomec, Inc. (Formerly Huffman LLC) in Clover, SC
(35 miles southwest and 43 minutes from Charlotte, NC)
is seeking a **FIELD SERVICE ENGINEER**
for their manufacturing facility.

Job Description

Optomec, Inc. (Formerly Huffman LLC) in Clover, SC is seeking a **FIELD SERVICE ENGINEER** for their manufacturing facility.

Responsibilities:

- Installation of Huffman 5 axis CNC machine tools (grinders, lasers, and water jets).
- Troubleshooting and repair of Huffman machines including mechanical and electrical systems and controls at our customer's facilities.
- Customer training/instruction in machine software, maintenance, repair and safety.
- Domestic and international travel.
- Successful candidate will be Charlotte-based.

Qualifications:

- Technical school graduate or equivalent manufacturing experience.
 - Minimum three (3) yr. experience servicing CNC machine tools.
 - Ability to read electrical schematics, knowledge of electrical devices, I/O, ladder logic, spindles, closed loop servo systems, variable speed drives, hydraulic/pneumatics and electronic test equipment.
 - Knowledge of industrial lasers and waterjet technology a plus.
 - Strong computer skills including Microsoft Office products.
 - Highly motivated individual who promotes teamwork with subordinates and peers.
- The ideal candidate must have or obtain a US Passport within a specified period of time in order to travel both domestic and international to perform the responsibilities of the position.*
